

Dear CLiFF Location Co-ordinator,

Thank you for volunteering to organize a CLiFF screening in your area. You are playing a critical role in making this national labour film festival truly national.

Before we can send you a package of materials and the films themselves, we would like to ensure that the intellectual property of the filmmakers is protected. We must have the films returned after you screen them. As such, failure to return your completed form in a timely manner will cause delays in your receipt of the films.

Please sign and return this agreement via email to: locations@labourfilms.ca.

Signing this form means you agree to the terms outlined in this letter. Thanks for your understanding and for respecting the rights of the filmmakers.

Sincerely,

Canadian Labour International Film Festival Board of Directors
